The parties shall cause a physical count to be made of such assets as of the opening for business on November 1, 1975 or on such other date as the parties may agree upon in writing. The purchase price for such assets based on said physical count shall be calculated on the basis of 100% of current cost for such assets as determined by the most recent vendor's invoices to Seller for similar assets or, as to certain of the items as indicated on Exhibit I, in the manner described on said Exhibit for such items. With respect to tires, it is understood that any tire with mold marks worn, or any size tire not currently marketed on new vehicles, or any tire deemed to be a used tire, shall not be considered covered by this Agreement, and Buyer shall have no obligation to purchase same. Without limitation of the foregoing Buyer shall have no obligation to purchase tires, gas, oil and grease, body and paint materials or other similar items not set forth on Exhibit I. Seller agrees that if tires, gas, oil and grease, body and paint materials, and other similar miscellaneous items not listed above or on Exhibit I are not removed from the premises to be assigned or subleased to Buyer hereunder within fifteen (15) days after Buyer takes possession of such premises, they shall become the property of Buyer without further charge to Buyer.

2. With respect to those leasehold improvements described in said Exhibit K the condition of which deteriorates to such an extent as to become unuseable for the purpose originally intended prior to the expiration of the 24-month period described in clause (1) above and which leasehold improvements cannot reasonably be repaired but must be replaced (but provided

that Buyer has not previously been repaid the value of any such leasehold improvements pursuant to clause (1) above and provided further that any such leasehold improvements have not become unuseable because of Buyer's failure to maintain and repair same consistent with customary maintenance and care standards applicable thereto or because of any other act or omission of Buyer [including, without limitation, any act or omission during relocation to the new service facility] or because of any accident or casualty (said unuseable leasehold improvements not subject to the foregoing provisos being called the "Unuseable Improvements"), Seller shall repay to Buyer an amount equal to (i) the aggregate value of the Unuseable Improvements determined from the agreed upon valuations set forth in Exhibit K hereto, multiplied by (ii) a fraction, the numerator of which is a number determined by subtracting from 24 the number of months (including fractions thereof) between November 1, 1975 and the date on which the Unuseable Improvements became unuseable and the denominator of which is 24.

5. *Seller's Security Agreement.* As security for the performance of all of Buyer's obligations under the provisions of this Agreement, the Note, the Vehicle Purchase and Sale Agreement and the Seller's Security Agreement (as hereinafter defined), at the closing Buyer shall execute a security agreement ("Seller's Security Agreement") in favor of Seller in the form and substance of Exhibit M attached hereto covering all of the business, assets and properties owned by Buyer, including, without limitation, the O'Hare Concession Agreement and the New Franchise Agreement.

6. *Assignment of Contracts, Leases and Agreements.* Seller agrees that at the Closing it will assign in writing to Buyer all of Seller's right, title and interest in and to those of the contracts, leases and agreements listed on Exhibit D hereto as are listed on Exhibit N hereto, and any other oral or written contract or agreement of Seller not required to be listed on Exhibit D which directly relates to the Properties and business of Seller being transferred hereunder and which is not of a material nature. 8. *Pending the Closing.* From the date of this Agreement until the Closing Date, Seller covenants and represents to Buyer that:

a. Except to the extent that Buyer shall otherwise consent in writing, each and every covenant, representation and warranty set forth in Paragraph 1 hereof shall remain true and correct.

b. Seller will maintain itself at all times as a duly licensed corporation in good standing under the laws of the State of Illinois.

c. Seller will (i) keep the Chicago Locations open during and for not less than the hours customary in its business consistent with Seller's prior practices, (ii) function in the ordinary course of business and in a good and efficient manner in keeping with its customary practices, and (iii) use its best efforts to operate in such a way as not to affect adversely the business of Seller being transferred hereunder or any of the Properties.

d. Seller will afford Buyer, its representatives, agents and employees, at all reasonable times, access and facilities to use, with respect to the Properties of Seller, all of its books, files and records for the purpose of inspection and examination thereof, and will do everything reasonably necessary to enable Buyer to make a complete examination of the Properties of Seller and the condition thereof. All information so obtained by Buyer and its representatives, agents, and employees shall be kept confidential.

e. Seller will not further mortgage, pledge or subject to lien or other encumbrance any of the Properties.

ii. There shall not have been any fire, accident or other casualty or any labor disturbance, civil commotion, riot, act of God or the public enemy involving the Properties or the business of Seller being transferred hereunder (or any other change in such Properties or business) which would have a material adverse effect on the conduct of a daily car rental business by Buyer consistent with that previously carried on by Seller considering Seller's business as a whole.

iii. Buyer shall not have discovered any material error, misstatement or omission in any of the representations or warranties made by Seller herein.

iv. Seller shall at the Closing deliver to Buyer all of the items to be delivered on the Closing Date, all in accordance with Paragraph 10(a) below, and the Seller shall execute the agreements described in Paragraph 10(c) below.

In the event that one or both of the conditions precedent set forth in clauses (i) or (ii) above shall not have been fulfilled or complied with in any material respect on or prior to the Closing Date, Buyer shall have the right, at its option, to elect (by notice given to Seller) not to consummate the transactions contemplated herein, in which case this Agreement shall automatically terminate and thereupon both parties hereto shall be released and discharged from any obligations and liabilities whatsoever hereunder. Without limitation of the foregoing, if a casualty shall occur pursuant to clause (ii) above and if Buyer proceeds to consummate the transactions contemplated herein, the consideration payable to Seller hereunder shall not be reduced but Buyer shall be entitled to receive all proceeds of insurance relating to such casualty less any reasonable expenses incurred by Seller for emergency repairs made necessary by reason of such casualty. In the event that one or both of the conditions precedent set forth in clauses (iii) or (iv) above shall not have been fulfilled or complied with in any material respect on or prior to the Closing Date, Buyer shall have the right, at its option, to elect (by notice given to Seller) not to consummate the transactions provided for herein, in which case Buyer shall be released and discharged from any liabilities or obligations whatsoever hereunder, provided, however, that except as otherwise provided herein, such election shall not deprive Buyer of any other rights or remedies which it may have.

ii. The Buyer shall at the Closing deliver to Seller all of the items to be delivered on the Closing Date all in accordance with Paragraph 10(b) below, and the Buyer shall execute the agreements described in Paragraph 10(c) below.

In the event that any of the conditions precedent hereinabove set forth shall not have been fulfilled or complied with in any material respect on or prior to the Closing Date, Seller shall have the right, at its option, to elect (by notice given to Seller) not to consummate the transactions contemplated herein, in which case Seller shall be released and discharged from any liabilities or obligations whatsoever hereunder, provided, however, that such election shall not deprive Seller of any other rights or remedies it may have.

10. *The Closing.* The "closing" of the transactions provided for in this Agreement shall take place at the offices of Arnstein, Gluck, Weitzenfeld & Minow, Sears Tower, Chicago, Illinois at 3:00 P.M., on the third business day next following the receipt by Seller and Buyer of actual notice that the City of Chicago Approval (as defined below) has been obtained, or on such other date and at such other time and place as may be agreed by the parties in writing. Attached to this Agreement as Exhibit P is a list prepared by Seller of all its rental customer deposits as of the dates shown thereon.

xi. Copies of the amendment, New Franchise Agreement and commitment described in Paragraph 3(a) above duly executed by Budget of America or Seller, as the case may be.

b. At the Closing, Buyer shall furnish Seller with the following:

i. A certificate executed on behalf of Buyer by the President or Vice President and the Secretary or Assistant Secretary of Buyer confirming the truth and correctness as of the Closing Date of all representations, covenants and warranties of Buyer contained herein.

c. At the closing, Seller and Buyer shall execute the following:

i. The Vehicle Purchase and Sale Agreement, which Vehicle Purchase and Sale Agreement shall be in the form and substance of Exhibit Q attached hereto. Attached to this Agreement as Exhibit R is a list of all vehicles in service in Seller's fleet as of the dates indicated thereon.

ii. An agreement pursuant to which Seller and Buyer will equitably adjust or prorate as of November 1, 1975 the following items and certain other proratable items of the type described on Exhibit S attached hereto:

2. Security deposits made by Seller under the leases and/or other occupancy agreements covering the Chicago Locations and any other leases described in Exhibit C, including, without limitation, the agreement between the parties with respect to the payment to Buyer under specified circumstances of certain amounts paid by Seller to the sublessor under the Arco Lease.

3. Salary expense attributable to vacation pay for certain employees of Seller as described in Paragraph 12 below.

4. Amounts collected on Outstanding Rentals (as hereinafter defined).

11. *Accounts Receivable.* Buyer, on Seller's behalf and at no charge to Seller, shall accept payment of those of Seller's accounts receivable arising out of the operation of Seller's business prior to November 1, 1975 as have not been collected by Seller prior to the Closing Date ("Seller's Receivables") and Buyer shall turn over to Seller all of the monies received on such Seller's Receivables within ten (10) days after receipt by Buyer. At or promptly after the closing, Seller shall furnish Buyer with a list of Seller's Receivables as of the Closing Date. To the extent payments received by Buyer (whether accompanied by a statement or not) from customers who were indebted to Seller are identifiable as payments against Seller's Receivables, then such payments shall be deemed to be payments of Seller's Receivables whether or not Buyer then has an outstanding account receivable from the customer making any such payment. To the extent any such payments are not so identifiable as payments against Seller's Receivables, then, to the extent Buyer has an outstanding account receivable from such customer, such payment may first be credited against Buyer's receivable and then any balance remaining shall be credited against Seller's Receivables and turned over to Seller. It is understood that Buyer's responsibility, so far as such collection is concerned, is only to accept monies paid on such Seller's Receivables and shall not include any obligation to attempt to enforce payment thereof, provided that when Buyer sends out bills or statements to any such account, it will reflect the amount still open on Seller's Receivables. No adjustments shall be made by Buyer with respect to any of Seller's Receivables without the written permission of Seller. If, within 180 days after the Closing Date, payments covering all of Seller's Receivables have not been received by Buyer, as aforesaid, Buyer shall have no further responsibility to accept monies paid on such Seller's Receivables or to reflect the amounts still open on Seller's Receivables in its billings. Without limitation of the foregoing, it is understood that at any time and from time to time after the Closing Date Seller shall the right, by notice given to Buyer, to take over all collection efforts with respect to those of Seller's Receivables as are specified in any such notice to Buyer.

12. *Employee Vacations.* Seller and Buyer agree that all employees (both union and non-union) of Seller at the Chicago Locations (or at any other location who will be employed by Buyer) who are entitled to vacation pay for periods prior to November 1, 1975 shall receive such vacation and all salary expense in connection therewith shall be prorated between Buyer and Seller as of November 1, 1975, as part of the agreement referred to in Paragraph 10(c)(ii) above, which proration shall be consistent with the vacation policy which has been previously established by Seller for such employees. Seller assumes sole liability for all vacation claims accruing to all of its employees other than those referred to above, it being understood that Buyer shall not, under any circumstances, become obligated for payment of any such vacation pay.

13. *Rental Tickets in Process.* Notwithstanding any provisions of Paragraph 11 hereof to the contrary, Seller shall be entitled to a prorata portion (as hereinafter determined) of all amounts collected on rental tickets in process as of the opening of business on November 1, 1975 ("Outstanding Rentals"). On or promptly after November 1, 1975, Seller shall furnish Buyer with a list of the Outstanding Rentals as of said date. From and after the Closing Date, Buyer, at its expense, shall be solely responsible for collecting the balance of the

proceeds covering such Outstanding Rentals (to the extent same were not collected by Seller prior to the Closing Date), and Buyer shall turn over to Seller with five (5) days after collection of any proceeds Seller's prorata portion of same. Seller's prorata portion of any amounts collected on any Outstanding Rentals shall be determined by multiplying such amount by a fraction, the numerator of which is the total number of days from and including the date the vehicle was rented by a customer (the "Rental Date") through the close of business on October 31, 1975, and the denominator of which is the total number of days from the Rental Date through the day the vehicle is returned by such customer and for which day such customer is charged.

14. *Certain Assurances and Indemnifications.*

a. Seller shall, and it hereby does agree to, indemnify and defend and hold Buyer harmless from and against any and all liabilities, obligations, assessments, suits, actions, proceedings, claims, demands, judgments, interest, penalties, fees, costs and expenses (including reasonable attorney's fees) arising out of or in connection with all liabilities, debts and obligations of Seller (including, without limiting the generality of the foregoing, any claims asserted by local, State or Federal authorities for unpaid taxes or arising from any imposition of taxes or the assessment of any deficiency for taxes or penalties or interest incidental thereto or any claims asserted by any creditors of Seller alleging that the consummation of the transactions contemplated hereunder was violative of the bulk sales laws of the State of Illinois), excluding only those liabilities, debts and obligations which Buyer has agreed to assume hereunder or which Buyer has agreed hereunder to pay or satisfy, it being understood that with respect thereto Buyer shall to such extent be solely responsible therefor. Buyer agrees that the obligation of Seller to indemnify Buyer pursuant to this Paragraph 14(a) shall be limited to those claims asserting the existence of a liability or obligation as to which Buyer has been indemnified hereunder which Seller has notice of within the 5-year period following the Closing Date.

b. If, after the Closing Date, Buyer shall receive notice of any claim or alleged claim asserting the existence of a liability or obligation as to which Buyer has been indemnified hereunder, Buyer shall promptly notify the Seller with respect thereto and the Seller, after receipt of such notice, shall have the right to defend against any such claim provided (i) that the Seller within ten (10) days after receipt of such notice shall notify Buyer that Seller disputes the claim and that Seller will, at its own expense, defend the same, and (ii) that such defense is instituted and maintained in good faith by the Seller. In such event the defense may, if necessary, be maintained in the name of Buyer and Buyer may, if it so elects, designate its own counsel to participate along with counsel selected by the Seller in the conduct of such defense. Buyer shall pay for any counsel so designated by it. Buyer shall, in any event, be kept fully advised as to the status of such defense. If the Seller shall receive notice of a claim as aforesaid and shall either fail to notify Buyer of its election to defend such claim within the time prescribed herein or fail to maintain such defense in accordance with the foregoing, or if such defense shall be unsuccessful and the time to appeal shall have expired, then in any such event, Seller shall fully satisfy and discharge the claim within fifteen (15) days after notice from Buyer requesting it to do so.

c. In the event that at any time after the Closing Date it is determined that any covenant, representation or warranty of Seller contained in this Agreement was incorrect or untrue, or that Seller breached any of its other covenants, warranties or representations under this Agreement, Seller covenants and agrees to pay to Buyer the amount of the loss, expense, or damage suffered or incurred by Buyer which would not have been suffered or incurred if the facts set forth in said covenant, warranty or representation had been true and correct and such other covenants, warranties and representations had not been breached. The provisions of this Paragraph shall be in addition to, and not in limitation of, and other rights which Buyer may have. The liability of Seller pursuant to this Paragraph 14(c) shall terminate five (5) years after the Closing Date except with respect to matters as to the existence of which Buyer has given notice to Seller prior to the expiration of said 5-year period.

d. Subject to the provisions of Paragraph 14(b) above, in the event it is determined that an amount or amounts are due from Seller to Buyer purusant to the foregoing provisions of this Paragraph 14 or pursuant to Paragraph 4(d) above and Seller fails to pay any such amounts to Buyer, Buyer may elect, by giving a notice to such effect to Seller, to set off against amounts due after the Closing Date to Seller pursuant to Paragraph 4(a) hereof any such amounts so becoming due to Buyer.

e. Buyer shall, and it hereby does agree to indemnify and defend and hold harmless Seller from and against any and all liabilities, obligations, assessments, suits, actions, proceedings, claims, demands, judgments, interest, penalties, fees, costs and expenses (including reasonable attorney's fees) arising out of or in connection with all liabilities, debts and obligations which Buyer has assumed hereunder or which Buyer has agreed hereunder to pay or satisfy.

f. In the event that at any time after the Closing Date it is determined that any covenant, representation or warranty of Buyer contained in this Agreement was incorrect or untrue, or that Buyer breached any of its other covenants, warranties or representations under this Agreement, Buyer covenants and agrees to pay to Seller the amount of the loss, expense, or damage suffered or incurred by Seller which would not have been suffered or incurred if the facts set forth in said covenant, warranty or representation had been true and correct and such other covenants, warranties and representations had not been breached. The provisions of this Paragraph shall be in addition to, and not in limitation of, any other rights which Seller may have. The liability of Buyer pursuant to this Paragraph 14(f) shall terminate five (5) years after the Closing Date except with respect to matters as to the existence of which Seller has given notice to Buyer prior to the expiration of said 5-year period.

15. *Expenses of Transaction.* Each party shall pay its own expenses incident to the preparation for carrying this Agreement into effect and to the consummation of the transactions hereby contemplated.

16. *Notices.* Any notice, communication, request, reply or advice (hereinafter severally and collectively, for convenience, called Notice) in this Agreement provided or permitted to be given, made or accepted by either party to the other must be in writing and may, unless otherwise in this Agreement expressly provided, be given or be served by depositing the same in the United States mail, postpaid and registered or certified mail and addressed to the party to be notified, with return receipt requested, or by delivering the same in person to an officer of such party, when appropriate, addressed to the party to be notified. E. Bernard & Co., for the sublease of certain premises at Chicago-O'Hare International Airport.

Sublease Agreement made this fifteenth (15th) day of May, 1975 by and between Eastern Air Lines, Inc., a Delaware Corporation, hereinafter referred to as "Eastern" and J. E. Bernard & Co., an Illinois Corporation, hereinafter referred to as "Bernard".

Whereas, Eastern has leased from Continental Air Lines, Inc., hereinafter referred to as "Continental", certain premises in the "Continental Air Cargo Facility", hereinafter called the "Facility" at O'Hare International Airport, Chicago, Illinois, pursuant to a Sublease Agreement dated July, 1967, hereinafter called the "Base Lease"; and

Whereas, Bernard is desirous of subleasing a portion of said premises and Eastern is willing to sublease same to Bernard, upon the terms and conditions hereinafter stated;

Now, Therefore, for and in consideration of the premises and of the mutual covenants and agreements hereinafter contained or incorporated by reference, the parties hereto agree to bind themselves as follows:

1. Description of Space

Eastern does hereby demise and sublease to Bernard and Bernard hereby rents and takes from Eastern the following space located in the Facility:

a) For the exclusive use of Bernard:

2,400 square feet of enclosed basement level warehouse space; 1,400 square feet of unenclosed basement level warehouse space; 1,200 square feet of mezzanine level office space;

which space is more particularly described as outlined in red on Exhibit "A" attached hereto and made a part hereof for all purposes; and

b) For use in common with Eastern, the use of Eastern's loading docks on the north side of the cargo building and portions of Eastern's apron level building area and drag-line equipment as necessary to move and handle cargo and freight (no storage at the apron level) from such loading docks to Bernard's exclusively leased areas at the basement level and, for use in common with all other occupants of the Facility, common space consisting of the truck road and employee and customer parking areas (up to but not in excess of ten (10) vehicular parking spaces) which are more particularly described in Exhibit "B" attached to the Base Lease, excluding aircraft taxiways and ramp areas shown on said Exhibit.

c) Access to and reasonable use of the lavatory facilities on the mezzanine level.

The exclusive space together with the common space are hereinafter collectively called the "Leased Space".

2. Term

The term of this Sublease shall be for two (2) years commencing upon the "occupancy date" as hereinafter defined and thereafter on an indefinite basis; subject, however, to the right of either party to this Sublease to terminate same at any time after the initial two years' term upon one hundred-fifty (150) days' written notice to the other party and the right of Bernard to terminate same at the end of the first year of the term upon one hundred-fifty (150) days prior written notice to Eastern.

The "occupancy date" referred to above shall be a date fifteen (15) days after the date upon which this sublease shall have been approved in writing by both the City of Chicago and Continental Air Lines, Inc., provided that such occupancy date is not later than Sept. 1, 1975. If such written approvals are not obtained so as to establish the occupancy date on or prior to Sept. 1, 1975, then this Sublease will not become effective unless and until both Bernard and Eastern agree in writing to a later occupancy date.

3. Rental

Bernard agrees to pay Eastern an annual rental of $22,588.00 payable in equal monthly installments of $1,882.33 beginning upon the commencement date of the term hereof and on the first day of each calendar month thereafter. Rental for part of a month shall be prorated. Bernard agrees to pay the City of Chicago $416.67 on the first day of each calendar month.

4. Use

Bernard shall occupy and use the premises only for the purpose of freight forwarding, customs brokerage, handling air cargo and operating an air cargo terminal for purposes reasonably necessary or convenient in connection with said business activities at the Facility, subject to the Base Lease.

Bernard shall, in the use of said premises and access thereto, at all times supervise the conduct and appearance of its employees or agents and shall comply with reasonable security directives from Continental or Eastern pertaining thereto. Bernard agrees that it will not perform, or allow its employees or agents to perform, any act that would indicate that Bernard or its employees or agents are employed by or operating in conjunction with Eastern.

5. Access

Eastern grants to Bernard the right of access to and from the premises in accordance with Eastern's rights under the Base Lease. Eastern shall not be liable for any interruption or interference with Bernard's access, but, in the event that access to the premises is temporarily prevented by Eastern or Continental, or by failure of freight elevator service for a period of over twenty-four (24) hours, rent shall abate pro rata for the period of time access is restricted.

6. Utilities and Service

Eastern shall furnish and supply the following utilities and service to the premises:

a) Heat and air conditioning to the extent that same can be provided through the existing system without modification; and

b) Electric lighting, gas, water, sewage and similar services to the extent that same can be supplied through the exisiting system and outlets without modification; and

c) Janitorial services; and

d) Snow removal, to the extent provided by Continental Air Lines under the Base Lease.

Bernard agrees to pay Eastern for the above utilities and services $4,912.00 per annum in equal monthly payments of $409.33 beginning upon the commencement date of the term hereof and on the first day of each calendar month thereafter. Payment for part of a month shall be prorated. Eastern shall not be liable for any temporary discontinuance of service.

7. Alterations, Maintenance and Repairs

Bernard will be permitted, with the prior written approval of Eastern, and approvals as required in

Base Lease, to make reasonable improvements and alterations to the Leased Space at its own cost and expense. Upon cancellation or termination of this Sublease Agreement, Eastern shall have the option of either purchasing Bernard's improvements at Bernard's remaining unamortized value or require that Bernard remove such improvements unless same become part of the premises pursuant to to Base Lease. At anytime Bernard removes said improvements, it shall restore the Leased Space to its original condition, normal wear and tear and damage by fire or casualty excepted.

Bernard agrees to accept the premises "as is" and that its occupancy of the premises shall constitute an acceptance of said premises as being then in a good state of repair. Notwithstanding the foregoing, Eastern agrees to remove and store the ball transfer mat and other materials handling equipment now in Bernard's exclusive space in the basement level. Bernard further agrees that thereafter, it will repair and maintain said premises, fixtures, and appurtenances, and at its sole cost and expense keep the premises clean and orderly, except as provided in Paragraph 6 hereof, provided, however, that without limiting said obligation Bernard shall make no repairs, replacements or alterations without first obtaining Eastern's approval and all approvals required under Base Lease and in the course of doing said work shall comply with all applicable rules, laws and ordinances, and obtain all required permits and certificates.

8. Signs

Bernard shall not erect or display any signs of any sort whatsoever in or about the premises without the prior approval of Continental and Eastern. Said approval of Eastern when obtained shall create only a license revocable at will of Continental and Eastern. Bernard agrees not to display or use in identification or advertising the words "Eastern", "East", or "EAL", or other words that could imply a business association with Eastern.

9. Indemnity and Insurance

It is understood that Bernard shall at all times be an independent contractor and shall indemnify and hold Eastern and Continental harmless from any and all claims, demands and action of any kind arising from the negligent acts or omissions of Bernard, its officers, employees or agents or arising from the after-hours acceptance of Bernard's cargo and freight by Eastern pursuant to Article 21 hereof.

Bernard further agrees to immediately repair damage to any property that may be caused by its (or its officers, employees, agents, invitees) negligent acts or omissions. Eastern shall not be liable for any damage or injury to person or property caused by or resulting from malfunction of heating, electrical, plumbing or other system, leaks in roof or other water flow, or any other defect in premises and appurtenances. Bernard shall procure, and maintain in effect during the term of lease, insurance of the types and amounts as set forth on Exhibit B attached hereto, which policies shall be with an insurer or insurers satisfactory to Eastern and Continental, and naming, where appropriate, Eastern and Continental as an additional assured thereunder. Said policies shall also contain provision requiring insurers to give Eastern and Continental thirty (30) days' written notice prior to cancellation thereof or prior to any material change. Certificates evidencing issuance of said policies shall be furnished to Eastern and Continental prior to assuming possession of premises and renewal certificates shall be furnished at least fifteen (15) days prior to expiration date of policy being renewed.

10. Casualty and Force Majeure

Reference is made to Paragraph 13. "Fire Insurance and Restoration" of the Base Lease which obligates Continental Air Lines, Inc. ("Continental") as Landlord, to obtain and maintain certain fire and extended coverage insurance covering the Continental Air Cargo Facility (of which the premises are a part) and to repair, replace, and rebuild the premises in the event of destruction or damage by fire to the extent of the available insurance proceeds and subject to all of the other conditions of said Paragraph 13,, which is incorporated herein by reference. Eastern and Bernard agree that rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the premises, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance or nonfeasance of Bernard, its officers, employees, agents, business invitees or guests. Nothing contained herein shall be deemed to create any obligation upon Continental or Eastern to carry and maintain insurance coverage on any of the equipment, furnishings and contents located within the premises, including without limitation, ground equipment, air cargo and air cargo handling equipment, all of which shall be the sole liability and responsibility of Bernard.

11. Compliance with Base Lease, Rules and Ordinances

Eastern reserves the right and Bernard agrees to allow Eastern or Continental to enter the premises during an emergency, or at other reasonable times for the purposes of inspection, making repairs, replacements, alterations or improvements, or for showing to prospective lessees.

It is further agreed that Eastern reserves to itself and Continental the right to retain, install, maintain on the premises, lines, wires, conduits, piping, ducts, meters, valves, or other machinery and fixtures as may be necessary or desirable to Eastern and/or Continental so long as this does not unreasonably deprive Bernard of the use of the premises.

12. Additional Payments

In the event that the premiums on any insurance policies covering the premises and insuring either Eastern or Continental are increased due to Bernard's use and occupancy, Bernard agrees to reimburse the appropriate party for the additional premium. Bernard agrees to pay any new taxes that may be imposed, after the commencement of the term of this Sublease, for occupancy, or other lessee or leasehold interest, directly or by reimbursing Eastern for a pro rata share if imposed against Eastern either hereunder or pursuant to the Base Lease.

13. Defaults

In the event that Bernard defaults in the performance of obligation hereunder, Eastern may remedy said default on behalf of Bernard and Bernard agrees to reimburse Eastern for expenses incurred; which sums shall be due as additional rent payable with the next rental payment due after submission of statement or invoices to Bernard.

14. Termination and Surrender

In addition to termination as otherwise herein provided and as may otherwise be caused or afforded by operation of law, this lease shall be terminated under the following circumstances:

a) Immediately upon the termination of Base Lease for premises, for any reason whatsoever, notwithstanding that Base Lease may be in effect for other premises.

b) At the option of Eastern, on five (5) days' notice to Bernard upon the happening of any one of the following events:

1) The premises shall be deserted or become vacant.

2) Default be made in payment of rent.

3) Default be made in the performance of any of the covenants herein and said default continues for more than 30 days after notice of said default is given to Bernard.

4) The filing by Bernard of a voluntary petition in bankruptcy, making an assignment for benefit of creditors, or performance of any act that would render Bernard insolvent.

5) The institution of proceedings in bankruptcy against Bernard or the taking of Bernard's assets by a court of jurisdiction or the appointment of a receiver of Bernard's assets, or the divestiture of Bernard's estate herein by other operation of law.

c) Immediately upon the acquisition or condemnation of premises or part thereof by eminent domain, in which event Bernard shall have no claim against Eastern for the unexpired term nor a claim for any part of the award.

In the event that the lease is terminated in accordance with the foregoing Subparagraph "b" prior to expiration date of the term, Eastern may relet the premises for a term and upon any condition it may deem proper and Bernard shall remain liable for the deficiency between the rent herein reserved, and the new rent collected, as well as for any expenses incurred to repossess the premises and restore same to original condition. In the event that lease is terminated pursuant to other Subparagraphs herein, any advance rental paid beyond date of surrender shall be returned to Bernard pro rata, providing Bernard has not defaulted in the performance of any covenants hereunder.

15. Waiver and Modification

No waiver by Eastern of any default shall be deemed a waiver of any other or subsequent default. This lease may not be modified, changed, or discharged orally.

16. Assignment and Subletting

Bernard shall not assign this lease, sublet the premises or any portion thereof, or permit use by others without the prior written consent of Eastern (which consent Eastern shall not unreasonably withhold) and consents required pursuant to the Base Lease.

17. Notices

All notices required by the terms of this Sublease Agreement shall be deemed given as of the mailing date when sent by certified mail or registered mail, postage prepaid, and addressed as follows:

Miami International Airport
Miami, Florida 33148

Attention: Vice President
Properties

To Bernard: J. E. Bernard & Co.
P. O. Box 66213
Chicago, Illinois 60666

Attention: Mr. Fred Glantz
Vice President—Transportation

18. Subject to Base Lease

Without limiting the generality of the obligations of Bernard to comply with applicable provisions of the Base Lease, the provisions of Article 8 (Subordination) and Article 25 (Surrender of Possession) of the Base Lease shall be applicable with "Bernard" deemed substituted for "Tenant" and "Eastern" substituted for "Continental".

19. Consent of Continental

It is agreed that this Sublease is subject to Eastern obtaining consent of Continental and the City of Chicago, to this Sublease and to the terms hereof and shall not be in full force and effect until said approvals are obtained. In the event that Bernard has in the interim taken possession of the premises, Bernard shall surrender and vacate the premises in accordance with the terms hereof and rent due to Eastern will be prorated to the date of said surrender.

20. Quiet Enjoyment

Eastern agrees that Bernard on payment of rentals and performance of the covenants and obligations hereunder may peacefully and quietly have, hold, and enjoy the leased premises for the term aforesaid, provided, however, that this covenant shall not be binding upon Eastern in the event of termination, assignment or subletting of the Base Lease.

21. Acceptance of Bernard's Cargo and Freight After-Hours by Eastern

Eastern agrees to accept, between the hours of 8:00 P.M. and 8:00 A.M., air cargo and freight shipments on behalf of Bernard and store same in an area designated by Bernard. Eastern also undertakes to deliver to Bernard the same number of air cargo and freight shipments for which Eastern has acknowledged receipt to shippers in writing and agrees to identify visible damage to shipments on such receipts. If the volume of such shipments remains below twenty (20) shipments per week, Eastern will perform this service for Bernard at no charge. If the volume exceeds the foregoing, Eastern will charge Bernard for the excess shipments at rates to be agreed upon. Failing reaching such an agreement with Bernard, Eastern will discontinue this service. Bernard hereby indemnifies and holds harmless Eastern for any and all claims, demands, actions of any kind and loss or damage, either consequential or otherwise, which Eastern may sustain by virtue of performing this service except that this undertaking to indemnify and hold harmless Eastern does not apply in those instances where Eastern has failed to perform its obligations to Bernard as set forth in the second sentence of this Article 21.

In Witness Whereof, the parties hereto have caused this lease to be duly executed the day and year first above written.

The following is said ordinance as passed:

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has determined that the area known as the Astor Street District, as hereafter described, is worthy of designation as a "Chicago Landmark," and accordingly has recommended its designation as such by the City Council; and

WHEREAS, The Commission has found that the Astor Street District meets the criteria for designation as set forth in Chapter 21, Section 21-64(b) of the Municipal Code of Chicago, namely:

Its character, interest or value as part of the development, heritage or cultural characteristics of the City of Chicago, State of Illinois, or the United States.

Its identification with a person or persons who significantly contributed to the culture and development of the City of Chicago.

Its exemplification of the cultural, economic, social or historic heritage of the City of Chicago. Its portrayal of the environment of a group of people in an era of history characterized by a distinctive architectural style.

Its embodiment of distinguishing characteristics of an architectural type or specimen.

Its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago.

Its relationship to other distinctive areas which are eligible for preservation according to a plan based on an historic, cultural or architectural motif.

Its unique location or singular physical characteristic representing an established and familiar visual feature of a neighborhood, community or the City of Chicago; and

WHEREAS, The Astor Street District contains many excellent examples of the architectural styles that were important during the late 19th and early 20th centuries and many persons significant in the history of Chicago made their homes along the street; and

WHEREAS, The Astor Street District is probably foremost of our few equivalents of Beacon Hill or Georgetown, is a virtual outdoor museum, is a visible reminder of the builders of Chicago and their architects working at a domestic scale and is irreplaceable and of national significance; and

WHEREAS, Astor Street has been the home of many people who contributed to the development of the City of Chicago, such as Potter Palmer, a major figure in the rebuilding of Chicago after the Great Fire in 1871; Joseph Medill, a former mayor of Chicago and editor of the Chicago Tribune, who built one of the most imposing residences on Astor Street as a wedding gift for his daughter and son-in-law, the Robert W. Pattersons; Cyrus Hall McCormick II; Joseph T. Ryerson; James Charnley; C. D. Peacock; Joseph T. Bowen; and William O. Goodman; and

WHEREAS, There are other streets of town houses in Chicago, but few collections of such distinction and such history, and if there is any area in this city which deserves, by reason of its history, its heritage, its cultural value, and its architectural value, to be preserved as a Chicago landmark, it is the Astor Street District, which has for so long been identified with the very best in Chicago; and

WHEREAS, Astor Street is a showcase of architectural styles, with a Prairie Style residence by Frank Lloyd Wright, a Georgian Revival mansion by Stanford White, Second Empire Building by David Adler, town houses by John Root, Renaissance Revival buildings by Stanford White, Richardsonian Revival by Cobb and Frost, and buildings by Joseph Silsbee; and

WHEREAS, The Commission has concluded that the Astor Street District is truly important to Chicago, and deserves to be preserved, protected, enhanced and perpetuated, and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Astor Street District be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

[Appendix "A" printed on page 2306 of this Journal]

SECTION 2. SECTION 3. The Commission on Chicago Historical and Architectural Landmarks is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix said plaque to the property designated as a Chicago Landmark in accordance with the provisions of Chapter 21, Section 21-64(f) of the Municipal Code of Chicago.

This recommendation was concurred in by 11 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD R. VRDOLYAK,
Chairman.
(Signed) FRED B. ROTI,
Vice-Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, It is a terrifying experience for one to be caught in a broken-down elevator between floors, when moments seem so interminable; and

Whereas, Under the Municipal Code of the City of Chicago, it is required that the person controlling the broken-down elevator report that broken-down elevator to the Commissioner of Buildings so that it can be re-inspected prior to its re-use; and

Whereas, Protection to the public caught in a broken-down elevator is of primary concern to the public, and persons controlling such broken-down elevators ought to be required to report that breakdown immediately to the Chicago Fire Department so that persons caught in those elevators can be rescued immediately without the undue delays now encountered when inexperienced persons controlling those broken-down elevators attempt their own emergency procedures; and

Whereas, The protection of the public through swift and sure emergency procedures employed by trained rescue teams of the Chicago Fire Department is of paramount importance to the people of the City of Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Municipal Code of the City of Chicago is amended by inserting therein a new Section 79-2.1 in Italics below, containing the following words, letters, numerals and phrases as follows:

79-2.1. Whenever any elevator shall suffer any breakdown causing a person or persons to become trapped in that elevator, in addition to the report required in Section 79-2 of the Municipal Code, the owner of the equipment, lessee or manager of the building or property shall immediately report that breakdown to the Chicago Fire Department so as to effectuate the immediate rescue of that person or those persons so trapped.

In the event of the willful failure of the owner of the said equipment, lessee or manager of the building or property suffering the breakdown of any elevator, to notify the Chicago Fire Department within five (5) minutes of such breakdown, that person under control of that equipment shall be fined not less than $100.00 nor more than $500.00 for each offense.

Section 2. This ordinance shall be in effect in and after passage and due publication.

"The water depth on flat roofs shall not exceed three (3) inches during the above storm and three (3) inches average depth on sloped roofs not exceeding six (6) inches rise or depth of slope.

"A scupper drain or drains shall be placed in the parapet wall at an invert elevation one-half (½) inch above the maximum designed head. The scupper shall have a cross sectional area equal to that as required for conventional roof drainage.

"Control of runoff from roofs shall be by pre-calibrated tamper proof weirs; no valves or mechanical devices shall be permitted.

Said permit shall be issued, and the work therein authorized shall be done, in accordance with the ordinances of the City of Chicago governing the construction and maintenance of illuminated signs of this character.

Failed to Pass—PROPOSED ORDINANCE TO AMEND SECTION 79-2 OF MUNICIPAL CODE CONCERNING ELEVATOR BREAKDOWNS *(Adverse Committee Recommendation).*

On motion of Alderman Vrdolyak the City Council took up for consideration the report of the Committee on Buildings and Zoning (together with the ordinance) deferred and published in the Journal of Proceedings of December 31, 1975, page 2339, which reads as follows:

CHICAGO, December 22, 1975.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed ordinance (referred October 16, 1974), to amend Section 79-2 of the Municipal Code of Chicago concerning Elevator Breakdowns, begs leave to recommend that Your Honorable Body *Do Not Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by 11 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD R. VRDOLYAK,
Chairman.
(Signed) FRED B. ROTI,
Vice-Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, It is a terrifying experience for one to be caught in a broken-down elevator between floors, when moments seem so interminable; and

Whereas, Under the Municipal Code of the City of Chicago, it is required that the person controlling the broken-down elevator report that broken-down elevator to the Commissioner of Buildings so that it can be re-inspected prior to its re-use; and

Whereas, Protection to the public caught in a broken-down elevator is of primary concern to the public, and persons controlling such broken-down elevators ought to be required to report that breakdown immediately to the Chicago Fire Department so that persons caught in those elevators can be rescued immediately without the undue delays now encountered when inexperienced persons controlling those broken-down elevators attempt their own emergency procedures; and

Whereas, The protection of the public through swift and sure emergency procedures employed by trained rescue teams of the Chicago Fire Department is of paramount importance to the people of the City of Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Municipal Code of the City of Chicago is amended by inserting therein a new Section 79-2.1 in Italics below, containing the following words, letters, numerals and phrases as follows:

79-2.1. Whenever any elevator shall suffer any breakdown causing a person or persons to become trapped in that elevator, in addition to the report required in Section 79-2 of the Municipal Code, the owner of the equipment, lessee or manager of the building or property shall immediately report that breakdown to the Chicago Fire Department so as to effectuate the immediate rescue of that person or those persons so trapped.

In the event of the willful failure of the owner of the said equipment, lessee or manager of the building or property suffering the breakdown of any elevator, to notify the Chicago Fire Department within five (5) minutes of such breakdown, that person under control of that equipment shall be fined not less than $100.00 nor more than $500.00 for each offense.

Section 2. This ordinance shall be in effect from and after passage and due publication.

Alderman Vrdolyak moved to *Concur In* the committee's recommendation. The question thereupon became: *"Shall the proposed ordinance Pass, notwithstanding the Committee's adverse recommendation?"* and the question being put, said proposed ordinance *Failed to Pass,* by yeas and nays as follows:

Yeas—None.

Nays—Aldermen Barnett, Kenner, Evans, Lathrop, Sawyer, Wilinski, Cousins, Adduci, Vrdolyak, Bilandic, Kwak, Madrzyk, Burke, Jaksy, Barden, Shannon, Hines, Joyce, Kelley, Stewart, Stemberk, Lipinski, Rhodes, Zydlo, Ray, Washington, Cross, Hagopian, Gabinski, Mell, Laskowski, Aiello, Casey, Cullerton, Gutstein, Natarus, Oberman, Simpson, Cohen, Schulter, Block, Stone—42.

Alderman Vrdolyak moved to *Concur In* the committee's recommendations. E. In the event the Lessor should fail to furnish any of the alterations referred to in Article D above or other repairs, maintenance or services herein agreed to be furnished by it, or so fail to remove and correct any fire or health hazards not caused by the acts or negligence of the Agency, and failure continues after 30 days from serving of written notice by Lessee, and Lessor has not notified Lessee in writing of said intent to furnish any of the alterations, repairs, maintenance or services herein agreed to, or intent to remove and correct any fire or health hazards within 10 days from the serving of written notice by the Lessee, Agency may at its options, make the necessary repairs or supply the maintenance or service itself or have the hazards corrected and deduct the cost and expense thereof from the rental herein due under this lease or terminate this lease.

Agency shall have the right to remove all Agency-owned and/or installed fixtures or equipment at the termination of this lease or any removal thereof.

7. *Condemnation.* If during the term of this Lease, or any renewal thereof, the whole or part of the demised premises or such portion thereof as will make the demised premises unusable for the purpose leased, be condemned by public authority for public use, then, in either event, the term hereby granted shall cease and come to an end as of the date of the vesting of title in such public authority, or when possession is given to such public authority, whichever event last occurs. Upon such occurrence the rent shall be apportioned as of such date and prepaid rent shall be returned to the Agency. Agency shall not be entitled to any part of the award of any payment in lieu thereof. Agency may remove all of its fixtures and equipment before any such public taking and may file a claim for moving expense.

8. *Subordination.* This lease, and all rights of Lessee hereunder, are and shall be subject and subordinate to the lien of any first mortgage or contract which may hereafter affect the fee title of the demised premises. Notwithstanding any default in the mortgage or contract, and any foreclosure thereof, or the enforcement of any holder thereof of any rights or remedies thereunder or otherwise, this lease shall remain in full force and effect and the Lessee shall be permitted to remain in quiet and peaceful possession of the demised premises throughout the term thereof and any extension of renewal thereof; provided that the Lessee is not in default of any of the terms or conditions of this lease.

9. *Option to Terminate.* It is mutually covenanted and agreed that either party may terminate this lease by giving 90 days notice in writing to other.

10. *Covenants Binding.* All covenants and agreements herein contained shall be binding upon, apply and inure to the benefit of the heirs, executors, administrators, successors and assigns of the Lessor and Lessee; provided, however, that, subject to the provisions in Section 3 above, the Lessee shall not sublet in whole or part, nor assign this lease or any part thereof without first obtaining the written consent of the Lessor.

15. If Harwood Heights shall fail to comply with or perform any of the conditions or obligations on its part, and, if after such failure the City shall notify Harwood Heights in writing of its intention to discontinue accepting sewage from Harwood Heights on account of such failure, refusal or neglect, then the City shall have a right to discontinue accepting sewage from Harwood Heights at the expiration of sixty (60) days after the giving of such notice and determine this contract, unless, within this sixty (60) day period Harwood Heights shall make the repair or perform the conditions or obligations requested by the Commissioner of Water and Sewers of the City of Chicago. The discontinuance of service of Harwood Heights shall not release Harwood Heights from its obligation to make payments on past due services rendered under this contract. Nothing contained herein shall reduce the grace periods and provisions specified in paragraph 8 and 11 herein.

16. No assignment or transfer of this Agreement shall be made by Harwood Heights.

In Witness Whereof, the City of Chicago, pursuant to Authority granted by its City Council, has caused this Agreement to be signed in sextuplet originals (each executed copy constituting an original) by its Mayor, approved by its Commissioner of Water and Sewers, attested by its City Clerk, accepted by its Comptroller, its Corporate Seal hereto affixed, and approved as to form and legality by the Corporation Counsel; and the Village of Harwood Heights, pursuant to authority granted by its Council, has caused the same to be signed in sextuplet originals (each executed copy constituting an original) by its Mayor, attested by its Village Clerk, its Corporate Seal hereto affixed, and approved as to form and legality by the Village Attorney.
